ONENINE5 ESSENTIALS POUCH

Product description

The Eco Essentials pouch benefits from a durable, vegan leather outer and 100% recycled plastic lining. It is available in 4 colours and the waterproof zip and water-repellent inner coating ensure that whatever you choose to carry in yours is safe from spillages.

The slim design and wide clamshell opening make it easy to pack and easy to clutch in one hand. Mesh pockets, elastic loops & dividers ensure that wires and cables stay untangled, and everything is organised and easy to access.

A zipped pocket offers a place of safekeeping for valuables like keys, medication and coins.
